NEW ENGLAND

Casey Farm offers one-day specialty programs to engage your child in fun farm activities that highlight the history and science of farming and farm life. Each program is run by experienced camp counselors in a small group setting. The children visit with the farm animals to feed them and pick fresh vegetables for a snack.

### **Farm Frenzy**

### **High Water at Casey Point**

**August 4, 4–9:30 pm**

Celebrate the highest tide of the year at Casey Point. In the late afternoon we collect and observe wildlife at the cobble beach and salt pond, enjoy a “bring your own” picnic dinner up at the farm, and then head back down to the bay to observe how different the shore is at high tide. Relax with a campfire, stories, and activities, and finish the day with a short night hike. *All ages. \$30 per family for nonmembers and \$20 per family for Historic New England members.*

### **Making Old-fashioned Food**

### **Pirate Adventures**

**August 10, 9am–3 pm**

Inspired by legends of pirates on Narragansett Bay, campers spend an action-packed day pretending to be pirates. Our young pirates make eye patches, and a pirate flag, build a cannon, and construct their own pirate ship. In the afternoon, pirates hunt for the Casey Farm Pirate Booty, play games, and conclude with a pirate ship race on our pond. *Ages 6 and up.*
