

***End of Summer Family Campfire at Casey Point*** additional information

We are looking forward to ending the summer season with a campfire at Casey Point on Thursday, September 1. We will feed the animals at the start of the program, then eat dinner under the big camp tent before heading down to Casey Point for a campfire. We will finish with a night hike back to the farm.

- Camp check in begins at 4.45 PM at the table on the front lawn, and the program begins promptly at 5:00 PM. It will end at 9:00 PM.
- This is intended to be a family program and parents/guardians are highly encouraged to stay. However, if you are not staying with your child you must confirm with the counselor that you have dropped off and picked up your child. Photo ID is required for pick-up.
- As this is an evening program, it will be buggy. Insect repellent is required and must be applied prior to or upon arrival.
- Families are required to bring a dinner to eat during the program, including a drink. (Nonalcoholic only!) Casey Farm does NOT provide meals or drinks, although we will be providing s'mores for dessert at the campfire.
- Everyone should wear "farm shoes" (sneakers or boots with closed toe and heel) for the feeding portion of the program. However, shoes that can get wet are a must for after dinner at the bay. Rain boots would work well for the entire program, or you can change shoes after dinner. Flip-flops are not allowed.
- If you need to leave early and will not be participating in the night hike, please bring a flashlight.
- Families may bring folding chairs or seating pads for the campfire, if desired.
